Groundhog's Day

Groundhog's Day, I looked around,
Saw my shadow on the ground
I saw my shadow,
when I took a peek
That means winter is six more
weeks!

News & Updates

Hello! Hope everybody is enjoying the crazy weather. Can you believe it is already February? Where is the Snow? Who is going on a date for Valentine's Day so I can have fun with the kids?

PLEASE KNOCK ON DOOR

Holiday/Special Day. It is going to be Groundhog Day soon - we are going to see if we get spring early?

News. I am trying to teach the children to start calling me "Ms Jenny". If the children are related to me and they call me "Aunt Jennifer", they can continue to do that. It is a way to teach them to be respectful.

The children have off from school this month; can I please have the parents let me know in advance who will be attending? Please remember – if the children do not attend, you are still responsible for 2 day tuition.

We are having the Sign Language Teacher join us again on Thursday, February 9th. We are having a Dentist Assistant on February 29th.

Is it time to take the parents out again for dinner – I think so?

Update. I am closed on March 2nd.

Reminder. I offered to let Moms and Dads go out on a date for Valentine's Day in the evening! I can watch the children for you for only \$10.00 from 6 pm until 10 pm. If the children are with me that day – bring their PJ's and they will stay and have fun on Valentine's Day! Let me know in advance, thank you.
